Digital Curriculum Catalog

2022-2023

More Success for More Students

From filling critical learning gaps to providing greater challenge for accelerated students, Apex Learning digital curriculum meets each student where they are with standards-aligned curriculum and language, literacy, and academic scaffolds and supports.

Tutorials

With Tutorials, students close learning gaps and build their confidence so they develop missing prerequisite skills, master on-grade content, and are ready for high-stakes tests.

Electives

To enhance our catalog, Apex Learning partners with Pointful Education and Carone Learning to offer CTE, physical education, health, and fitness courses for middle and high school students. These course collections are priced separately from other Apex courses.

The complete course catalog can be viewed in our online catalog at www.apexlearning.com.

Pointful Education Courses

The Pointful library of courses engages students in career exploration and teaches them about emerging career paths like cybersecurity and drone piloting.

Carone Learning Courses

The Carone library of courses offers 50+ courses that provide online instruction in physical education, health, fitness, and related careers.

Apex Learning Virtual School - A Turnkey Solution

Whether it's instructional support for a full virtual program, coverage for one class, or just a handful of students, Apex Learning Virtual School can help. ALVS is a turnkey solution for districts and schools. Give students access to engaging standards-based digital courses, with the support of our highly qualified, certified instructors. Our course catalog includes NCAA-approved core and honors courses, prescriptive courses for credit recovery, AP, and electives.
